The Company and each of its subsidiaries is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not have a material adverse effect on the assets, business, conditions (financial or otherwise), results of operations of the Company and its subsidiaries taken as a whole (a “**Material Adverse Effect**”).

(b) Authorization, Enforcement, Compliance with Other Instruments.

(i) The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and any other agreements and documents that are exhibits hereto or thereto or are contemplated hereby or thereby or necessary or desirable to effect the transactions contemplated hereby or thereby and to issue the Shares, in accordance with the terms hereof and thereof;

(iii) each of the Transaction Documents will be duly executed and delivered by the Company; and

(iv) the Transaction Documents when executed will constitute the valid and binding obligations of the Company enforceable against the Company in accordance with their terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of creditors’ rights and remedies.

(c) Capitalization. The authorized capital stock of the Company consists of 400,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock. (e) No Conflicts. The execution, delivery and performance of each of the Transaction Documents by the Company, and the consummation by the Company of the transactions contemplated hereby and thereby will not (i) result in a violation of the Certificate of Incorporation or the Bylaws (or equivalent constitutive document) of the Company or any of its subsidiaries or (ii) violate or conflict with, or result in a breach of any provision of, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any subsidiary is a party, except for those which would not reasonably be expected to have a Material Adverse Effect, or (iii) result in a material violation of any law, rule, regulation, order, judgment or decree (including U.S. federal and state securities laws and regulations) applicable to the Company or any subsidiary or by which any property or asset of the Company or any subsidiary is bound or affected. Neither the Company nor any of its subsidiaries is in violation of any term of or in default under its Certificate of Incorporation, Bylaws or any other constitutive documents. The business of the Company and its subsidiaries is not being conducted, and shall not be conducted in violation of any law, ordinance or regulation of any governmental entity, except for any violation which would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. Except as specifically contemplated by this Agreement and as required

under the Securities Act and any applicable state securities laws and the rules of the Principal Market, neither the Company nor any of its subsidiaries is required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under or contemplated by this Agreement or the other Transaction Documents in accordance with the terms hereof or thereof. Neither the execution and delivery by the Company of the Transaction Documents, nor the consummation by the Company of the transactions contemplated hereby or thereby, will require any notice, consent or waiver under any contract or instrument to which the Company or any subsidiary is a party or by which the Company or any subsidiary is bound or to which any of their assets is subject. The Company is unaware of any facts or circumstance, which might give rise to any of the foregoing.

(f) Absence of Litigation. Except as set forth in the SEC Reports, there is no action, suit, claim, inquiry, notice of violation, proceeding (including any partial proceeding such as a deposition) or investigation before or by any court, public board, governmental or administrative agency, self-regulatory organization, arbitrator, regulatory authority, stock market, stock exchange or trading facility (an “**Action**”) now pending or, to the knowledge of the Company, threatened, against or affecting the Company or any of its subsidiaries. For the purpose of this Agreement, the knowledge of the Company means the knowledge of the officers of the Company (both actual or knowledge that they would have had upon reasonable investigation).

(g) Acknowledgment Regarding Purchaser’s Purchase of the Shares. The Company acknowledges and agrees that each Purchaser is acting solely in the capacity of an arm’s length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby.

Neither the Company, nor any of its Affiliates, nor, to the knowledge of the Company, any person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares. With respect to a Purchaser, any investment fund or managed account that is managed on a discretionary basis by the same investment manager as such Purchaser will be deemed to be an Affiliate of such Purchaser. For purposes of this Agreement, “**Affiliate**” means, with respect to any person, any other person that, directly or indirectly through one or more intermediaries, controls, is controlled by or is under common control with such person, as such terms are used in and construed under Rule 144 under the Securities Act (“**Rule 144**”).

(i) No Integrated Offering. Neither the Company, nor any of its Affiliates, nor to the knowledge of the Company, any person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would require registration of the Shares under the Securities Act or cause this offering of the Shares to be integrated with prior offerings by the Company for purposes of the Securities Act.

(j) Employee Relations. Neither Company nor any subsidiary is involved in any labor dispute nor, to the knowledge of the Company, is any such dispute threatened. Neither Company nor any subsidiary is party to any collective bargaining agreement. The Company’s and/or its subsidiaries’ employees are not members of any union, and the Company believes that its and its subsidiaries’ relationship with their respective employees is good.

(k) Intellectual Property Rights. Except as set forth in the SEC Reports, the Company and each of its subsidiaries owns, possesses, or has rights to, all Intellectual Property necessary for the conduct of the Company's and its subsidiaries' business as now conducted, except as such failure to own, possess or have such rights would not reasonably be expected to result in a Material Adverse Effect and (ii) there are no unreleased liens or security interests which have been filed, or which the Company has received notice of, against any of the patents owned or licenses to the Company. Furthermore, (A) to the Company's knowledge, there is no infringement, misappropriation or violation by third parties of any such Intellectual Property, except as such infringement, misappropriation or violation would not result in a Material Adverse Effect; (B) there is no pending or, to the Company's knowledge, threatened, action, suit, proceeding or claim by others challenging the Company's or any of its subsidiaries' rights in or to any such Intellectual Property, and the Company is unaware of any facts which would form a reasonable basis for any such claim; (C) the Intellectual Property owned by the Company and its subsidiaries, and to the Company's knowledge, the Intellectual Property licensed to the Company and its subsidiaries, has not been adjudged invalid or unenforceable, in whole or in part, and there is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others challenging the validity, enforceability or scope of any such Intellectual Property, and, to the Company's knowledge, there are no facts which would form a reasonable basis for any such claim, other than any such action, suit, proceeding or claim that would not be reasonably expected to have a Material Adverse Effect; (D) there is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others that the Company or any of its subsidiaries infringes, misappropriates or otherwise violates any Intellectual Property or other proprietary rights of others, neither the Company nor any of its subsidiaries has received any notice of such claim and, to the Company's knowledge, there are no other facts which would form a reasonable basis for any such claim, except for any action, suit, proceeding or claim as would not be reasonably expected to have a Material Adverse Effect; and (E) to the Company's knowledge, no employee of the Company or any of its subsidiaries is in or has ever been in violation of any term of any employment contract, patent disclosure agreement, invention assignment agreement, non-competition agreement, non-solicitation agreement, nondisclosure agreement or any restrictive covenant to or with a former employer where the basis of such violation relates to such employee's employment with the Company or any of its subsidiaries or actions undertaken by the employee while employed with the Company or any of its subsidiaries, except as such violation would not reasonably be expected to have a Material Adverse Effect. Except as would not reasonably be expected to have a Material Adverse Effect and to the Company's knowledge, (A) there are no facts that are reasonably likely to provide a basis for a finding that the Company or any of its subsidiaries does not have clear title or valid license or sublicense rights to the patents or patent applications owned or licensed to the Company or other proprietary information rights as being owned by, or licensed or sublicensed to, as the case may be, the Company or any of its subsidiaries, (B) no valid issued U.S. patent is or would be infringed by the activities of the Company or any of its subsidiaries relating to products currently or proposed to be manufactured, used or sold by the Company or any of its subsidiaries and (C) there are no facts with respect to any issued patent owned or licensed to the Company that would cause any claim of any such patent not to be valid and enforceable in accordance with applicable regulations. "**Intellectual Property**" shall mean all patents, patent applications, trade and service marks, trade and service mark registrations, trade names, copyrights, licenses, inventions, trade secrets, domain names, technology and know-how.

(l) Environmental Laws.

(i) The Company and each subsidiary has complied with all applicable Environmental Laws (as defined below), except for violations of Environmental Laws that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect. There is no pending or, to the knowledge of the Company, threatened civil or criminal litigation, notice of violation, formal administrative proceeding, or investigation, inquiry or information request, relating to any Environmental Law involving the Company or any subsidiary, except for litigation, notices of violations, formal administrative proceedings or investigations, inquiries or information requests that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect. For purposes of this Agreement, “**Environmental Law**” means any national, state, provincial or local law, statute, rule or regulation or the common law relating to the environment or occupational health and safety, including without limitation any statute, regulation, administrative decision or order pertaining to (i) treatment, storage, disposal, generation and transportation of industrial, toxic or hazardous materials or substances or solid or hazardous waste; (ii) air, water and noise pollution; (iii) groundwater and soil contamination; (iv) the release or threatened release into the environment of industrial, toxic or hazardous materials or substances, or solid or hazardous waste, including without limitation emissions, discharges, injections, spills, escapes or dumping of pollutants, contaminants or chemicals; (v) the protection of wild life, marine life and wetlands, including without limitation all endangered and threatened species; (vi) storage tanks, vessels, containers, abandoned or discarded barrels, and other closed receptacles; (vii) health and safety of employees and other persons; and (viii) manufacturing, processing, using, distributing, treating, storing, disposing, transporting or handling of materials regulated under any law as pollutants, contaminants, toxic or hazardous materials or substances or oil or petroleum products or solid or hazardous waste. (c) Purchaser Status. At the time such Purchaser was offered the Shares, it was, and as of the date hereof it is, and on each date on which it converts any Shares, it will be either: (i) an “accredited investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a “qualified institutional buyer” as defined in Rule 144A(a) under the Securities Act.

(d) Experience of Such Purchaser. Such Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Shares, and has so evaluated the merits and risks of such investment. Such Purchaser is able to bear the economic risk of an investment in the Shares and, at the present time, is able to afford a complete loss of such investment. Such Purchaser and its advisors, if any, have been furnished with all materials relating to the business, financial condition and results of operations of the Company, and materials relating to the offer and sale of the Shares, that have been requested by such Purchaser or its advisors, if any. Such Purchaser acknowledges and understands that its investment in the Shares involves a significant degree of risk.

(e) General Solicitation. Such Purchaser is not purchasing the Shares as a result of any advertisement, article, notice or other communication regarding the Shares published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or, to such Purchaser’s knowledge, any other general solicitation or general advertisement.

(f) Access to Information. Such Purchaser acknowledges that it has had the opportunity to review the Transaction Documents (including all exhibits and schedules thereto) and the SEC Reports and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Shares and the merits and risks of investing in the Shares; (ii) access to information about the Company and its financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment.

(g) No Governmental Review. Such Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

(h) No Conflicts. The execution, delivery and performance by such Purchaser of this Agreement and the consummation by such Purchaser of the transactions contemplated hereby will not (i) result in a violation of the organizational documents of such Purchaser or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Purchaser is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Purchaser, except in the case of clauses (ii) and (iii) above, for such that are not material and do not otherwise affect the ability of such Purchaser to consummate the transactions contemplated hereby.

(i) No Legal, Tax or Investment Advice. Such Purchaser understands that nothing in this Agreement or any other materials presented by or on behalf of the Company to the Purchaser in connection with the purchase of the Shares constitutes legal, tax or investment advice. Such Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of the Shares.

5. Transfer Restrictions. The Purchaser acknowledges and agrees as follows:

(a) None of the Shares have been registered for sale under the Securities Act, in reliance on the private offering exemption in Section 4(a)(2) thereof; the Company does not currently intend to register the Shares under the Securities Act at any time in the future; and the undersigned will not immediately be entitled to the benefits of Rule 144 with respect to the Shares.

(b) The Purchaser understands that there are substantial restrictions on the transferability of the Shares that the certificates representing the Shares shall bear a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such certificates or other instruments):

THE SECURITIES REPRESENTED HEREBY HAVE BEEN ACQUIRED FOR INVESTMENT AND HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933. SUCH SHARES MAY NOT BE SOLD, PLEDGED, OR TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR A VALID EXEMPTION FROM THE REGISTRATION AND PROSPECTUS DELIVERY REQUIREMENTS OF SAID ACT.

The legend set forth above shall be removed and the Company shall issue a certificate without such legend to the holder of the Shares upon which it is stamped, if (a) such Shares are sold pursuant to a registration statement under the Securities Act, (b) such holder delivers to the Company an opinion of counsel, reasonably acceptable to the Company, that a disposition of the Shares is being made pursuant to an exemption from such registration, or (c) any other evidence reasonably requested and reasonably satisfactory to counsel to the Company to the effect that the proposed sale, pledge, or transfer of the Shares may be effected without registration under the Securities Act. The Company will not require a legal opinion (x) in any transaction in compliance with Rule 144; or (y) in any transaction in which such Purchaser distributes Shares to an Affiliate of such Purchaser for no consideration.

6. Covenants and Other Rights.

(a) Listing of Common Stock. The Company shall promptly secure the listing of the Shares upon each national securities exchange and automated quotation system that requires an application by the Company for listing, if any, upon which shares of Common Stock are then listed (subject to official notice of issuance) and shall maintain such listing, so long as any other shares of Common Stock shall be so listed. The Company shall use its reasonable best efforts to maintain the Common Stock's listing on the Principal Market. Neither the Company nor any of its Subsidiaries shall take any action that would be reasonably expected to result in the delisting

or suspension of the Common Stock on the Principal Market, unless the Common Stock is immediately thereafter traded on the New York Stock Exchange, the NYSE MKT, the Nasdaq Global Select Market, the Nasdaq Global Market, or the Nasdaq Capital Market. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 6(a).

(b) **Tax Treatment of Common Stock.** The Company covenants and agrees that, unless required pursuant to a final determination (within the meaning of Section 1313 of the Code, (i) the Shares constitute stock that participates in corporate growth to a significant extent within the meaning of Section 1.305-5(a) of the Treasury Regulations and therefore shall not be treated as preferred stock for purposes of Section 305 of the Code and the Treasury Regulations thereunder, and (ii) for U.S. federal and applicable state income and withholding tax purposes no dividends shall be treated as having been paid with respect to the Shares unless and until paid in cash with respect to the Shares. Each of the parties hereto shall file all tax returns and determine all taxes consistent with such treatment and shall not take any action that is inconsistent with such treatment unless otherwise required by a final determination (within the meaning of Section 1313(a) of the Code).

7. Conditions to Company's Obligations at Closing. The Company's obligation to complete the sale and issuance of the Shares and deliver the Shares to each Purchaser on the Closing Date, shall be subject to the following conditions to the extent not waived by the Company:

(a) **Representations and Warranties.** The representations and warranties made by the Purchasers in Section 4 hereof shall be true and correct in all material respects when made, and shall be true and correct in all material respects on the Closing Date, as the case may be, with the same force and effect as if they had been made on and as of said date.

(b) **Performance.** Each Purchaser shall have performed in all material respects all obligations and covenants herein required to be performed by them on or prior to the Closing Date.

(c) **Receipt of Executed Documents.** Each Purchaser shall have executed and delivered to the Company each of the Transaction Documents that requires its signature.

8. Conditions to Purchasers' Obligations at Closing. Each Purchaser's obligation to accept delivery of the Shares and to effect the Exchange on the Closing Date shall be subject to the following conditions to the extent not waived by CRG:

(a) **Representations and Warranties Correct.** The representations and warranties made by the Company in Section 3 hereof shall be true and correct in all material respects (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects as so qualified) as of, and as if made on, the date of this Agreement and as of the Closing Date, except to the extent any such representation or warranty expressly speaks as of an earlier date, in which case such representation or warranty shall be true and correct as of such earlier date.

(b) Performance. The Company shall have performed in all material respects all obligations and covenants herein required to be performed by it on or prior to the Closing Date.

(c) Certificate. The Chief Executive Officer of the Company shall execute and deliver to the Purchasers to the effect that the representations and warranties of the Company in Section 3 hereof are true and correct (except to the extent any such representation and warranty is qualified by materiality or reference to Material Adverse Effect, in which case, such representation and warranty shall be true and correct in all respects as so qualified) as of, and as if made on, the date of this Agreement and as of the Closing Date and that the Company has satisfied in all material respects all of the conditions set forth in this Section 8.

(d) Good Standing. The Company and each of its subsidiaries is a corporation or other business entity duly organized, validly existing, and in good standing under the laws of the jurisdiction of its formation.

(e) Judgments. No judgment, writ, order, injunction, award or decree of or by any court, or judge, justice or magistrate, including any bankruptcy court or judge, or any order of or by any governmental authority, shall have been issued, and no action or proceeding shall have been instituted by any governmental authority, enjoining or preventing the consummation of the transactions contemplated hereby.

(f) No Suspension. No suspension of trading shall have been imposed by the Nasdaq Capital Market, the SEC or any other governmental regulatory body with respect to public trading in the Common Stock.

(g) Nasdaq LAS. The Company shall have provided the Purchasers with a written confirmation from the Principal Market that the staff of the Principal Market shall have received for its review the Listing of Additional Shares Notification form submitted by the Company in connection with the transactions contemplated by this Agreement and the other Transaction Documents (the “**Listing of Additional Shares Form**”).

9. Indemnification.

(a) The Company agrees to indemnify and hold harmless each Purchaser, and its directors, officers, shareholders, members, partners, employees and agents (and any other persons with a functionally equivalent role of a person holding such titles notwithstanding a lack of such title or any other title), each person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other persons with a functionally equivalent role of a person holding such titles notwithstanding a lack of such title or any other title) of such controlling person, from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened) based upon or arising out of the Company’s actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or breach by the Company of any covenant or agreement made by the Company, contained herein or in any other any other disclosure materials; provided, however, that the Company will not be liable in any such case to the extent and only to the extent that any such loss, liability, claim, damage, cost, fee or expense arises out of or is based upon the inaccuracy of any representations made by such indemnified party in this Agreement.

(b) Each Purchaser, severally and not jointly, agrees to indemnify and hold harmless the Company and its directors, officers, shareholders, members, partners, employees and agents (and any other persons with a functionally equivalent role of a person holding such titles notwithstanding a lack of such title or any other title), each person who controls such indemnified person (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other persons with a functionally equivalent role of a person holding such titles notwithstanding a lack of such title or any other title) of such controlling person, from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened, and including in settlement of any litigation, but only if such settlement is effected with the written consent of Purchaser) insofar as such losses, liabilities, claims, damages, costs, fees and expenses are primarily based upon or primarily arise out of the Purchaser's actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or material breach by the Purchaser of any covenant or agreement made by the Purchaser, contained herein or in any other document delivered by the Purchaser in connection with this Agreement.

(c) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any Action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 9. In case any such Action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and to the extent that it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel satisfactory to such indemnified party; provided, however, if the defendants in any such Action include both the indemnified party and the indemnifying party and either (i) the indemnifying party or parties and the indemnified party or parties mutually agree or (ii) representation of both the indemnifying party or parties and the indemnified party or parties by the same counsel is inappropriate under applicable standards of professional conduct due to actual or potential differing interests between them, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such Action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such Action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 9 for any reasonable legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed counsel in connection with the assumption of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel in such circumstance), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the

indemnified party within a reasonable time after notice of commencement of the Action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party. No indemnifying party shall (i) without the prior written consent of the indemnified parties (which consent shall not be unreasonably withheld), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened Action in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such Action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such Action, or (ii) be liable for any settlement of any such Action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with its written consent or if there be a final judgment of the plaintiff in any such Action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment.

10. **[Reserved]**

11. **Termination.** This Agreement shall automatically terminate and become null and void if the Closing Date shall not have occurred on or before May 15, 2024.

12. **Binding Effect.** The Purchaser hereby acknowledges and agrees that this Agreement shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

13. **Independent Nature of Purchasers' Obligations and Rights.** The obligations of each Purchaser under this Agreement are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under this Agreement. Nothing contained herein and no action taken by any Purchaser pursuant hereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group, or are deemed affiliates (as such term is defined under the Exchange Act) with respect to such obligations or the transactions contemplated by this Agreement. Each Purchaser shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

14. **No Third-Party Beneficiaries.** This Agreement is intended only for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

15. **Amendments and Waivers.** Except as set forth in Section 7 and Section 8, any term of this Agreement may be amended, terminated or waived only with the written consent of the Company and each of the Purchasers.

16. **Notices.** Any notice, consents, waivers or other communication required or permitted to be given hereunder shall be in writing and will be deemed to have been delivered: (i) upon receipt, when personally delivered; (ii) upon receipt when sent by certified mail, return receipt requested, postage prepaid; (iii) upon receipt, when sent by facsimile (provided confirmation of

transmission is mechanically or electronically generated and kept on file by the sending party); (iv) when sent, if by e-mail, (provided that such sent e-mail is kept on file (whether electronically or otherwise) by the sending party and the sending party does not receive an automatically generated message from the recipient's e-mail server that such e-mail could not be delivered to such recipient); or (v) one (1) Business Day after deposit with an overnight courier service with next day delivery specified, in each case, properly addressed to the party to receive the same. 17. **Assignability.** This Agreement and the rights, interests and obligations hereunder are not transferable or assignable by the Purchaser, and the transfer or assignment of the Shares shall be made only in accordance with all applicable laws.

18. **Applicable Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without reference to the principles thereof relating to the conflict of laws.

19. **Arbitration.** The parties agree to submit all controversies to arbitration in accordance with the provisions set forth below and understand that:

(a) Arbitration shall be final and binding on the parties.

(b) The parties are waiving their right to seek remedies in court, including the right to a jury trial.

(c) Pre-arbitration discovery is generally more limited and different from court proceedings.

(d) The arbitrator's award is not required to include factual findings or legal reasoning and any party's right to appeal or to seek modification of rulings by arbitrators is strictly limited.

(e) The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.

(f) All controversies which may arise between the parties concerning this Agreement shall be determined by arbitration pursuant to the rules then pertaining to the Financial Industry Regulatory Authority in New York City, New York. Judgment on any award of any such arbitration may be entered in the Supreme Court of the State of New York or in any other court having jurisdiction of the person or persons against whom such award is rendered. Any notice of such arbitration or for the confirmation of any award in any arbitration shall be sufficient if given in accordance with the provisions of this Agreement. The parties agree that the determination of the arbitrators shall be binding and conclusive upon them. The prevailing party, as determined by such arbitrators, in a legal proceeding shall be entitled to collect any costs, disbursements and reasonable attorney's fees from the other party. Prior to filing an arbitration, the parties hereby agree that they will attempt to resolve their differences first by submitting the matter for resolution to a mediator, acceptable to all parties, and whose expenses will be borne equally by all parties. The mediation will be held in the County of New York, State of New York, on an expedited basis. If the parties cannot successfully resolve their differences through mediation within sixty (60) days from the receipt of the written notice of a matter from the notifying party, the matter will be resolved by arbitration. The arbitration shall take place in the County of New York, State of New York, on an expedited basis.

20. **Blue Sky Qualification.** The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchasers at the Closing under applicable securities or “Blue Sky” laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Purchaser.

21. **Use of Pronouns.** All pronouns and any variations thereof used herein shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require.

22. **Securities Laws Disclosure; Publicity.** The Company shall promptly, and no later than four Business Days after the date of this Agreement, file a Current Report on Form 8-K with the SEC disclosing the material terms of the transactions contemplated by the Transaction Documents (the “**Transaction Form 8-K**”). If the Company desires, the Company may also issue a press release relating to the Transaction Documents (the “**Press Release**”) prior to the filing of the Transaction Form 8-K. The Company shall give the Purchasers a reasonable opportunity to review and comment on the Transaction Form 8-K and Press Release. From and after the filing of the Transaction Form 8-K or, if applicable, the earlier issuance of the Press Release, no Purchaser shall be in possession of any material, non-public information received from the Company or any of its respective officers, directors, employees or agents, that is not disclosed in the Press Release or Transaction Form 8-K, as applicable, unless a Purchaser shall have executed a written agreement regarding the confidentiality and use of such information. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company as described in this Section 22, such Purchaser will maintain the confidentiality of all disclosures made to it in connection with such transactions (including the existence and terms of such transactions).

23. **Miscellaneous.**

(a) This Agreement, together with the other Transaction Documents and any confidentiality agreement between the Purchaser and the Company, constitute the entire agreement between the Purchaser and the Company with respect to the Offering and supersede all prior oral or written agreements and understandings, if any, relating to the subject matter hereof. The terms and provisions of this Agreement may be waived, or consent for the departure therefrom granted, only by a written document executed by the party entitled to the benefits of such terms or provisions.

(b) The representations and warranties of the Company and the Purchasers made in this Agreement shall survive the execution and delivery hereof and delivery of the Shares.

(c) If the Shares are certificated and any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company and the Company’s transfer agent of such loss, theft or destruction and the execution by the holder thereof of a customary lost certificate affidavit of that fact and an agreement to indemnify and hold harmless the Company and the Company’s transfer agent for any losses in connection therewith or, if required by the transfer agent, a bond in such form and amount as is required by the transfer agent. The applicants for a new certificate or instrument under such

circumstances shall also pay any reasonable third-party costs associated with the issuance of such replacement Shares. (d) Each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants, appraisers or others engaged by such party) in connection with this Agreement and the transactions contemplated hereby, whether or not the transactions contemplated hereby are consummated.

(e) This Agreement may be executed in one or more original or facsimile or by an e-mail which contains a portable document format (.pdf) file of an executed signature page counterparts, each of which shall be deemed an original, but all of which shall together constitute one and the same instrument and which shall be enforceable against the parties actually executing such counterparts. Signatures of the parties transmitted by facsimile or by e-mail of a document in pdf format shall be deemed to be their original signatures for all purposes.

(f) Each provision of this Agreement shall be considered separable and, if for any reason any provision or provisions hereof are determined to be invalid or contrary to applicable law, such invalidity or illegality shall not impair the operation of or affect the remaining portions of this Agreement.

(g) Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Agreement as set forth in the text.
